They destroyed the postal communications along with the rail lines and burgled and vandalised storehouses and warehouses. When the British was made aware of the situation, they sent the military to gun down the Santhals.

As per the **Scheduled Castes and Scheduled Tribes Research and Training Institute (SCSTRTI)**, Bhubaneswar, the word 'Santhal' is derived from two words; 'Santha' meaning calm and peaceful and 'ala' meaning man. The SCSTRTI says that the Santhals led a nomadic life in the past but then settled in the Chhotanagpur plateau.
